PREAMBLE

"Electronics & ICT Academy" is being setup at NIT Warangal with financial assistance from DeitY, MCIT, Govt. of India (Gol). The jurisdiction of this academy is Telangana, Andhra Pradesh, Andaman and Nicobar Islands, Goa, Puducherry and Karnataka states/UTs. This academy role is to offer faculty development programmes in standardized courses and emerging areas of Electronics, Information Communication Technologies; Curriculum development for Industry; Training & Consultancy services for Industry; CEP for working professionals; Advice and support for technical incubation and entrepreneurial activities. As part of this initiative, a Faculty Development Programme (FDP) on Signal Analysis and Transform Techniques is being conducted to the Faculty members of engineering colleges, industries and research laboratories.

ABOUT FDP

This FDP on Signal Analysis and Transform Techniques is organized by NIT-W jointly with Vignan's Lara Institute of Technology & Science, Vadlamudi. Department of ECE, NIT-Warangal brings resource persons for FDP and conducts as per schedule of 42 hours in a span of 6 days. Vignan's Lara Institute of Technology & science, Vadlamudi hosts this FDP by providing boarding and lodging to the participants and also by providing the infrastructure to organize the event.

Major Course Content

Introduction to Signal & systems concepts, Key Signal Processing Operations, Continuous and Discrete time Fourier Series and Transform analysis, Filter Structures, Random signal theory, Two dimensional Signal characteristics, signal Transforms, Wavelet Transforms, Practice using MATLAB. This FDP set objectives to train the faculty to teach the course with deeper understanding of all the concepts with gained practical exposure. Rich experience of the coordinators will make the participants to feel the difference.

ELIGIBILITY

The programme is open to the faculty of Engineering colleges, MCA/BCA colleges in Telangana, Andhra Pradesh, Karnataka, Goa, Pudicherry and Andaman and Nicobar islands. It is also extended to industry personnel working in the concerned/allied discipline.

ABOUT NIT WARANGAL, ECE DEPARTMENT

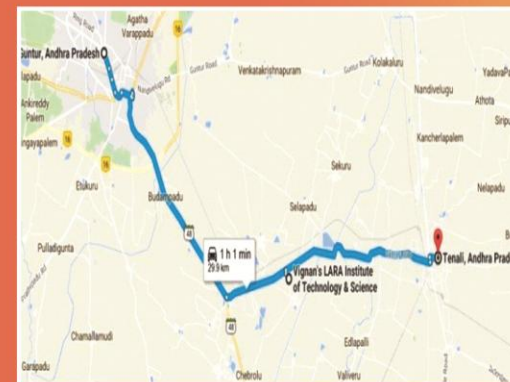

National Institute of Technology (formerly Regional Engineering College), Warangal is the first among 17 RECs setup as joint venture of the Government of India and the state government. Over the years the college has established itself as a premier Institution imparting technical education of a very high standard leading to the B.Tech degrees in various branches of engineering and M. Tech. and Ph.D programs in various specializations.

The Department of Electronics and Communication Engineering offers an Undergraduate program in Electronics and communication Engineering and three Postgraduate programs in EI, VLSI, and ACS Specializations. The Department has experienced faculty and well-established laboratories. The Department has liaison with reputed industries and R&D organizations like DRDO, ISRO ECIL, Analog Devices Bangalore and C-DAC. Department conducts various sponsored programmes throughout the year.

About Vignan's Lara Institute of Technology and Science

Vignan's Lara Institute of Technology and Science (VLITS) is one of the College functioning ably under Vignan Group of Institutions. The College which was established in the year 2007 is affiliated to JNTUK, Kakinada, and 'A' Grade by AP Knowledge Mission and approved by AICTE, New Delhi.
