At the outset the Chairman welcomed all the members to the Senate and thanked them for making it convenient to attend the meeting. At the same time, the Chairman placed on record the appreciation for the services rendered by Dr. T.K.V. Iyengar, Professor and Dr. N.Srinivasacharyulu, Associate Professor, in the Department of Mathematics of the Institute, who retired from service on the 31<sup>st</sup> January, 2012 on attaining the age of superannuation. Later the following items were discussed and accordingly the decisions were taken:

Sl. No.	Item(s) as per the Agenda	Decision Taken
1.	To confirm the minutes of 51 <sup>st</sup> meeting of Senate held on 06-02-2012.	<u>Approved with the following corrections</u> (a) Item No. 2: The subject POC laboratory of III B.Tech. (Chemical Engineering) be read as POC laboratory of II B.Tech. (Chemical Engineering) (b) Under any other item No. (vi): The name N. Sridhar, Part Time Ph.D. Research scholar in E.C.E. Department (Internal) be read as Sri K.V. Sridhar.
2.	Summer Quarter / Make up examinations for the students with "F" or "R" grade	The issue of need for re-registration for a course for those students who obtained 'F' grade in both end semester and <b>make-up</b> examinations is deliberated at length. It is resolved that students who have registered for a subject, attended the required number of classes and obtained an 'F' grade in the end semester examination and also in the subsequent makeup examination, be permitted to  (i) Register for <b>course-study</b> as and when it is offered next. In such a case all previous marks/attendance obtained by the student are to be cancelled and the student has to study the course, attend classes and appear for all examinations as a fresh candidate for the course. The student has to give an undertaking that he will not request for change of registration during the course of study. The student's performance is evaluated along with all the students studying the course and will be awarded the grade that he/she obtains based on his/her performance in the examinations in that semester.  (OR)  (ii) Register for <b>examination-only</b> and can appear for the regular end semester examination or make up examination as and when it is offered next. Student registering for <b>examination-only</b> is awarded a "P" Grade if he/she gets 30% or more marks in the end-semester/make up examinations. The student has to give an undertaking at the time of registration that he/she will not request for change of the registration nor for a better grade based on the marks obtained in the examinations.
3.	<u>Under any other item with the permission of the Chair:-</u> The following items were permitted:	
3.1	Consideration of maximum number of credits that can be registered in a semester.	It is resolved that the maximum number of credits that can be registered by any student including the backlog subjects registered for <b>course-study</b> is 30 as per the existing rules. In case a student registers some courses for <b>examination-only</b> then the maximum number of credits inclusive of the courses registered for <b>examination-only</b> is 34.

3.2	Considering the students with 'F' grade in the first registration and an 'R' grade in the subsequent registrations for permitting to appear for the make up examinations in June 2012.	It is resolved that the student who had attended the requisite number classes in the past and obtained an 'F' grade but obtained an 'R' grade in the subsequent registrations be permitted to appear for the makeup examinations in June 2012. All such students are to be considered to have registered for the <b>examination-only</b> and will be awarded a 'P' grade if they get atleast <b>30%</b> marks in the makeup examinations. All such students have to give an undertaking to this effect.
-----	--	---

With the above, the meeting ended with a vote of thanks to the Chair.
