Dear Sir / Madam,

Sub: Diamond Jubilee Celebrations – Department of Chemical Engineering, NIT Warangal.

The **Department of Chemical Engineering at NIT Warangal**, established in **1964**, has been a pioneer in shaping aspiring chemical engineers and scholars. Over the past six decades, the department has significantly contributed to academics, research, and consultancy, making a lasting impact in the field of chemical engineering. It celebrated its Golden Jubilee in 2014-15, and now, reaching the **Diamond Jubilee (60th anniversary: 2024-25)** is a testament to its sustained excellence and contributions to society.

The department has achieved outstanding recognition in research, securing funded projects from national and international agencies. It has been instrumental in technology transfer, consultancy projects with industries, patent filings in cutting-edge areas and establishing startups. With a strong focus on innovation, the faculty and scholars have significantly contributed to industrial advancements and sustainable solutions.

To mark this prestigious milestone, the department is organizing a series of events, bringing together eminent personalities, industry experts, academicians, alumni, and students. The list of events and coordinators is as follows:

4	Diamond Jubilee Alumni Meet	Prof. K Anand Kishore, Dr. Praveen Bommineni, Dr. Phani Kumar Pentyala

We invite faculty members, UG/PG students, PhD scholars, and professionals from academia and industry to participate in these events, engage with distinguished experts, and explore collaborative opportunities. Kindly disseminate this information to potential beneficiaries who can make the most of this exceptional celebration.

Let's come together to celebrate 60 years of excellence and innovation in Chemical Engineering at NIT Warangal!

Sincerely
Dr. Vidyasagar Shilapuram
(Head of the Department)
