ABOUT NIT Warangal

National Institute of Technology Warangal is the first among 17 RECs set up as a joint venture of the Government of India and the state government. Over the years, the college has established itself as a premier Institute imparting technical education of a very high standard, leading to B.Tech degrees in various branches of engineering, M.Tech., and Ph.D. programmes in various specializations. All B. Tech and M.Tech programmes of NIT Warangal are NBA accredited.

ABOUT DMS

The dynamic and multifaceted Centre for Management Studies was established in 2000 at the heart of the National Institute of Technology, Warangal. Over the years, this esteemed department underwent a transformation, first being renamed the School of Management and later evolving into what is now known as the Department of Management Studies (DMS). Dedicated to producing a cadre of Techno-Managers each year, the department has long embraced this unique concept as its hallmark. However, in response to the evolving demands and nature of the management discipline, DMS has broadened its scope, now welcoming graduates from all disciplines aspiring to pursue an MBA.
