

About NIT Warangal

National Institute of Technology, Warangal (Deemed University), formerly known as Regional Engineering College, was established in 1959. Pandit Jawaharlal Nehru laid the foundation stone for this institute on October 10, 1959, the first in the chain of 31 NITs (formerly known as RECs) in the country. The Institute is well known for its dedicated faculty, staff and the state-of-the-art infrastructure conducive to a healthy academic environment. The Institute is constantly striving to achieve higher levels of technical excellence. Evolving a socially relevant and yet internationally acceptable curriculum, implementing innovative and effective teaching methodologies and focusing on the wholesome development of the students are our concerns. More details can be found in the website: <https://nitw.ac.in>.

Themes of NOIEAS-2024

The conference focusses on the latest developments in the field of Numerical Optimization. The subject has wide applications in Engineering as well as Sciences. The conference is also aims at providing an interactive platform to the academia, researchers and the industry. Participations from different industries, universities and academic institutions from all over the country and abroad are anticipated. The organizing committee hereby invites scientists / technologists engaged in basic as well as applied research from the Universities, Research Institutions and Industries to participate. The scientific sessions will comprise plenary talks, invited talks, technical talks and contributed oral presentations on the following sections:

Optimization Problems for (but not limited to):

- Bio-technology & Bio-engineering
- Chemical Engineering
- Civil Engineering
- Computer Science & Engineering
- Electrical Engineering,
- Electronics & Communication Engineering
- Mechanical Engineering,
- Metallurgical and Materials Engineering,
- AI, ML and Data Science,
- Uncertainty modelling and Simulation,
- Multi-Objective and Multi-Criteria Decision Making,
- Agriculture and Life Sciences,
- Natural and Chemical Sciences,
- Mathematical Sciences
- Management Sciences
- Decision Sciences.

Conference Language

The conference presentations and deliberations will be in English.

Paper Submissions

Papers for submission (*Maximum 10 pages only*) need to be prepared in the [Springer format](#) using the templates available online. Authors need to register themselves in the conference and present their papers in **hybrid mode** (*Limited papers will be allowed for online presentations*). Selected papers presented at NOIEAS 2024 will be submitted to Springer for possible publication in Springer Proceedings (to be confirmed) after standard peer review process. Few high quality papers will be communicated to SCIE/ESCI/Scopus indexed Journals subject to Journals standard review process.
