However, condonation for shortage of attendance up to 20% (i.e., not lower than 80% aggregate attendance in any course) may be granted by the Head of the concerned Department.
- 6.2 For the purpose of attendance calculation, every scheduled practical class will count as one unit irrespective of the number of contact hours.
- 6.3 Students not having the mandatory requirement of minimum 80% attendance in any course, shall not be permitted to appear for the end semester examination in that course, and is awarded "R" Grade in that course. Such student has to register for the course in which he/she has shortage of attendance as and when the course is offered next.
- 6.4 In case of Integrated M.Sc. program, attendance relaxation up to 5% is allowed for girl students in EAA.
- 6.5 If the period of absence is for a short duration (of not more than one week), leave application should be submitted to the concerned Head of the Department, stating fully the reasons for the leave requested, along with the supporting document(s). - 7.3 The registration will be organized at the respective Department under the supervision of the Head of the Department/ Coordinator of a respective specialization / program.
- 7.4 A student who does not register on the days announced for the purpose may be permitted, in consideration of any compelling reason, late registration within the next week on payment of additional late fee as prescribed by the Institute from time to time. In special cases where the delay is beyond one week, Dean Academic may allow, on a case to case basis, for late registration with appropriate fee

8. EVALUATION - Grading System:

8.1 As a measure of student's performance, an 8-scale grading system using the following letter grades and corresponding grade points per credit shall be followed. Grading will be done based on the total marks obtained by the student in that course.

Letter Grade	S	A	B	C	D	E	P	F
Point	10	9	8	7	6	5	4	0

Relative grading scheme shall be followed in general for all the PG Programs. However, if the class strength is less than 20, the concerned faculty can follow absolute or relative grading by announcing it in the beginning of the semester in the lecture schedule.

- a) The norms for the award of the letter grade in Relative Grading are as follows:
 - Class average shall be calculated by considering all the students who have written the end semester examination and it shall be within the range of "C" grade.
 - "S" Grade shall be awarded to those students securing total marks $> (\text{average} + 1.5 \text{ to } 2 \text{ times standard deviation})$ with a minimum of 40% in the end semester examination.
 - "E" or higher Grade shall be awarded to those students securing total marks ≥ 40 with a minimum of 40% in the end semester examination.
 - Students securing less than 40% marks in end semester examination may be awarded "P" grade, if they secure total marks greater than half the class average or 40 whichever is less.
 - Other grades are to be distributed, preferably maintaining the range for each grade between 0.5 to 1.0 times standard deviation. DAC-PG&R may review these ranges with appropriate justification.
 - A student, who has not written end semester examination, or getting total marks less than half the class average or 40 whichever is less, shall be awarded "F" grade.
 - Further, there shall be four transitional grading symbols, which can be used by the examiners to indicate the special position of a student in the course.
 - **I:** for "Incomplete assessment", when the student misses the End-semester examination on Medical grounds (see rule 11.4).
 - **R:** for 'Insufficient attendance' in the course (see Rule 6.3).
 - **W:** for "Temporary withdrawal" from the Institute (see rule 17).

- **X**: for "Debarred" on grounds of indiscipline/ malpractices in examinations (See rule given 19 and 20).

b) The norms for the award of the letter grade in Absolute Grading are as follows: (Ref. 120th senate meeting)

Grade	S	A	B	C	D	E	P	F
Marks	≥ 90	80-89	70-79	60-69	50-59	40-49	40*	<40

- Scoring 40% or more in the end exam is mandatory for awarding "S to E" Grades.
- *Scholars securing less than 40% marks in end semester examination may be awarded "P" grade, if they secure total marks greater than 40. Writing end exam is mandatory.

8.2 Semester Grade Point Average (SGPA) will be computed for each semester. The SGPA will be calculated as follows:

$$SGPA = \frac{\sum_1^n C_i GP_i}{\sum_1^n C_i}$$

where C_i = Credits for the course

GP_i = the grade point obtained for the course

n = Number of courses registered in the Semester.

8.3 Starting from I Year II Semester a Cumulative Grade Point Average (CGPA) will be computed for every student at the end of every semester. The CGPA would give the Cumulative performance of the student from the first semester up to the end of the semester to which it refers and calculated as follows:

$$CGPA = \frac{\sum_1^n S_i C_i}{\sum_1^n C_i}$$

where, n = the total number of Semesters under consideration

C_i = Total number of Credits Registered during a particular Semester

S_i = SGPA of the Semester.

8.4 The CGPA, SGPA and the grades obtained in all the subjects in a semester will be communicated to every student at the end of every semester excepting last semester. In its place a consolidated grade sheet (with required credits) will be issued. This consolidated grade sheet supersedes all the earlier grade sheets.

8.5 Both SGPA and CGPA will be rounded off to the second place of decimal and recorded as such. Whenever these grade point averages are to be used for the purpose of determining the inter-se merit ranking of a group of students, only the rounded off values will be used.

8.6 CGPA to Marks Conversion:

CGPA shall be converted into percentage marks, if required, using the following formula:

$$\% \text{ marks} = (CGPA - 0.5) \times 10$$

8.7 Transitional Grades:

a) **Grade I:** When a student gets "I" Grade for any course(s) during a semester, the SGPA of that semester and the CGPA at the end of that semester will be tentatively calculated ignoring this (these) course(s). After these transitional grades have been converted to appropriate grades, the SGPA for the semester and CGPA at the end of the semester will be recalculated after considering the new grades.

- b) **Grades R, W and X:** When a student gets any of these transitional grades in any course(s) during a semester, the SGPA of that semester and the CGPA at the end of that semester will be tentatively calculated by taking 'zero point' for these course(s). After these transitional grades have been converted to appropriate grades, the SGPA for the semester and CGPA at the end of the semester will be recalculated after considering the new grades.
- c) **Grade F:** When a student gets the 'F' grade in any course during a semester, the SGPA and the CGPA from that semester onwards will be tentatively calculated, taking only 'zero point' for each 'F' grade. After the 'F' grade has been substituted by better grades during a subsequent semester, the SGPA and CGPA of all the semesters starting from the earliest semester in which the 'F' grade has been updated, will be recomputed and recorded to take this change of grade into account.

9. ASSESSMENT OF ACADEMIC PERFORMANCE:

- 9.1 There will be continuous assessment of a student's performance through class tests/Quizzes/Assignments etc. throughout the semester and grades will be awarded by the faculty member.

- 9.2 Each theory course in a semester is evaluated for 100 marks, with following weightages.

Sub-component	Weightage
(a) Continuous assessment: class tests/ Quizzes/ Minors/Assignment etc. with a written (conventional) exam component of at least 20 marks	60 marks
(b) End-semester Examination	40 marks

The mode and nature of the evaluation and the corresponding weightages, for the subcomponent (a) shall be intimated to the students at the beginning of the semester along with the lecture schedule

- 9.3 If due to any compelling reason (such as his/her illness, calamity in the family etc.) a student fails to meet any of the requirements within/on the scheduled date and time, the faculty member in consultation with the concerned Head of the Department may take such steps (including the conduct of compensatory tests/examinations) as deemed fit.
- 9.4 Each laboratory course in a semester is evaluated for 100 marks, through continuous assessment. The marks for continuous assessment may be distributed among various components like class work performance, Lab records, Quizzes, skill tests/ assignments/ mini projects. **It is not mandatory to conduct end semester examination for a laboratory course.** However, if it is conducted, the weightage for the end semester examination shall be less than or equal to 40 marks. The scheme of evaluation has to be informed to students by the respective faculty in the beginning of the laboratory course.
- 9.5 A Seminar Assessment Committee will be formed by the Head of the Department/Centre for the evaluation of performance at Seminars. Every student is expected to attend all the seminars of all the students of the batch held in the Department/Centre during the semester. Due weightage shall be given to a student's attendance in the overall evaluation of this requirement.
- 9.6 Comprehensive Viva Evaluation:
- i. The comprehensive viva voce examination carrying 2 credits will cover the entire course of study till the last semester. The viva voce shall be conducted by a committee

constituted by the Head of the Department. The committee will also have an expert from outside the institute nominated by Director.

- ii. A student who has failed in the comprehensive viva-voce shall be required to present himself/herself again within a period of two months for the viva-voce on a date to be fixed by the concerned Head of the Department /Centre.

9.7 Dissertation Evaluation:

- i. The number of credits for the dissertation to be carried out by a student depends on the course structure as indicated in section 3.2. In case of M.Sc. (Tech) and M.C.A. programs, dissertation is carried out for a full semester. For these two programs, the minimum period for submission of project shall be 24 weeks inclusive of preceding vacation. This minimum period shall be strictly adhered. In case of MBA program the dissertation is carried out for full quarter. The dissertation shall be submitted as per the schedule given in the academic calendar.
- ii. The dissertation supervisor will periodically review the progress of the student and finally give his/her assessment of the work done by the student.
- iii. The Dissertation will be evaluated for 100 marks, with the following weightages:

Sub-component	Weightage
a) Periodic evaluation by Guide	40 marks
b) Midterm review	20 marks
c) End Semester viva-voce examination	40 marks

The end semester viva- voce examination will be conducted by Director's nominee along with an evaluation committee constituted by the Head of the Department. The midterm evaluation will also be done by the evaluation committee.

- iv. A student will be permitted to submit the dissertation only if he/she completes all the courses as required in the program.
- v. The Departments have to evolve rubrics for evaluation of Dissertation. The marks may be distributed among various components like selection of topic, problem statement, literature review, methodology, oral and written presentation of the work done and performance in viva-voce examination.
- vi. Dissertation and Viva-Voce: A student shall be required to submit a thesis on the Dissertation work carried out by him/her. The template for the dissertation report may be downloaded from (<https://www.nitw.ac.in/main/PGForms/NITW/>). The students are required to submit a report showing that the plagiarism is within 20%. Three/four bound copies along with a soft copy of the dissertation shall be submitted to the Head of the Department/Centre within the last date prescribed in the Academic Calendar for the purpose. Dissertation viva - voce will be held within the date fixed in the academic calendar and the grades will be finalized by the committee.
- vii. If the performance of the student in Dissertation is not satisfactory, he/ she will be awarded 'F' grade. The student has to repeat the dissertation work by registering in the next semester. Such students may be given an option either to continue with the same topic and with the same guide or change the guide and the topic of his/ her dissertation.
- viii. Extension of dissertation work beyond the deadline of submission in very special case may be granted by the Dean (Academic) on recommendation of the department /

centre for a maximum period of 3 months and he/she will be awarded "I" Grade. The viva-voce has to be completed within the extension period. The student shall not be eligible for any medal/prize during the extension period. However, if the student had been absent on medical grounds and his/her dissertation had been extended, he/she may be eligible for award of medal or prize, if any. If the above mentioned extension period encroaches into the next semester, the student will have to pay the tuition fee on par with full time student.

10. END-SEMESTER EXAMINATIONS:

- 10.1 The End-semester examinations in respect of theory courses will be conducted centrally by the examination branch as per the schedule given in the academic calender.
- 10.2 Head of the Department sends the list of courses registered by each student for the semester along with percentage of attendance.
- 10.3 Appearing in the end-semester examination in the theory and laboratory (if conducted) courses is mandatory for a student. Unless exempted as stated in rule 10.4, if a student fails to appear for the end semester examination, he/she shall be awarded 'F' grade in the course.
- 10.4** However, if a student misses the end-semester examinations due to a compelling reason like serious illness which necessitates hospitalization or a calamity in the family, he/she may appeal to the Dean-Academic before commencement of examination through his/her Head of the Department after getting Medical Officer from Institute Medical Officer for permitting himself/herself to appear in the subsequent examination(s), when conducted next. A committee consisting of the following members may, after examining the documents and being convinced about the merit of the case, recommend him/her to appear in the subsequent examination(s), when conducted next, condoning his/her absence.
