

APAAR ID Registration Online:

To register for an APAAR ID, students must have a valid AADHAAR card. The APAAR ID can be obtained either through the DigiLocker website or the Academic Bank of Credits (ABC) portal.

Registering via DigiLocker:

1. Visit the DigiLocker website: <https://www.digilocker.gov.in/>
2. Click '**Login/Register**' and create an account by entering your mobile number, address, and Aadhaar card details.
3. Log in to your DigiLocker account using your credentials.
4. Select '**Search Documents**' and search for '**Academic Bank of Credits**'.
5. Choose the '**APAAR/ABC ID Card**' option.
6. Fill in your personal and academic details, check the consent box, and click '**Get Document**'.
7. After submitting the form, your APAAR ID card will be generated.
8. Go to '**Issued Documents**' and click the download icon next to '**APAAR/ABC ID Card**' to download your APAAR ID.

Registering via Academic Bank of Credits Portal:

1. Visit the Academic Bank of Credits (ABC) website: <https://www.abc.gov.in/>
2. Click on '**My Account**' and select the '**Student**' option.
3. Click '**Sign Up**' and provide your mobile number, address, and Aadhaar card details to create a DigiLocker account.
4. Log in to your DigiLocker account.
5. When prompted, select '**I agree**' to consent to sharing your Aadhaar details with ABC for KYC verification.
6. Enter your academic information, including your school or university name, class, and course details.
7. Submit the form to generate your APAAR ID card.
