

No. NITWIEF/Rec./On Contract/2026

Dated: 29th July 2026

**NOTIFICATION FOR ENGAGEMENT OF CHIEF EXECUTIVE OFFICER
(CEO) OF NITWIEF PURELY ON CONTRACT TERMS**

National Institute of Technology Warangal Innovation and Entrepreneurship Foundation (NITWIEF) established by National Institute of Technology (NIT) Warangal under Section 8 of The Companies Act, 2013. NITWIEF aims at nurturing a startup ecosystem at NIT Warangal. The goal is to cultivate and enhance a culture of entrepreneurship and innovation by facilitating, enabling, and fostering entrepreneurial efforts. This includes providing support, funding, mentorship, and management for initiatives and ventures, ultimately driving the development and success of entrepreneurial endeavors.

OBJECTIVES OF THE COMPANY:

- To nurture the translation of ideas and innovations emerging from the scientific, technological and knowledge capital, to generate commercial and social impact and to contribute to the economic development and social well-being of the region and country by building the necessary infrastructure for creation and translation of technology to market readiness, by supporting adoption of it by existing ventures and creation of startup ventures, and by creating networks between academia, industry and financial institutions and other such assistance as required.
- To create an environment for successful translation of scientific research and knowledge by building and sharing resources, networks, competencies and expertise in key areas at the interfaces of technology and innovation, business and entrepreneurship, and government and policy.
- To foster the spirit of innovation and entrepreneurship in individuals and groups to address the current and emerging societal needs by providing an effective channel to bridge the gap between scientific research and knowledge creation at NIT Warangal and allied institutions, and commercialization on the other hand to deliver innovative solutions to the requirements of the market or society at large.
- To facilitate co-operation and interaction between academia and industry (specifically between NIT Warangal and enterprises, entrepreneurs in various sectors) and promote innovation through formal and informal means, to identify, conceptualize, implement joint projects between companies/entrepreneurs and faculty/students of NIT Warangal
