* Includes students with CGPA>=6.5 and who participated in all Campus Placement Drives. If a Company has offered a job to a student having CGPA <6.5, it is included in both placed as well as registered counts. Students CGPA considered for eligibility is whatever the student acquired upto the date of commencement of placement session.														
# In addition to on-campus placements, some students secured opportunities through off-campus channels, while others chose to pursue higher studies such as Master's and Ph.D. programs.
