

## Azadi Ka Amurt Mahotsav

Azadi Ka Amurt Mahotsav initiated by the MoE, Govt of India is a festive celebration that marks the monumental occasion of our nation's 75th Anniversary of Independence.

In tune with this, NIT Warangal is proud to launch four anthological initiatives that explore various concepts of what it means to be truly Indian.

To embrace the beauty of our nation's linguistic diversity, the Center for Innovation and Incubation (CII) has developed a tech-enabled solution through which one can learn a multitude of Indian languages and become conversationally fluent. This app aims to break the language barrier and make diverse languages a way of communication and collaboration. The polyglot challenge will leverage the app and further propagate the message of embracing the beauty of our nation's linguistic diversity.

The last initiative aims to cherish the folk Rajya geeth that various communities of India have written and sung during the freedom struggle. The Rajya geeth have fueled the mind and spirit of our forefathers during the toughest of times and this event is a platform to share the same with the whole nation.
