

FACULTY DEVELOPMENT PROGRAMME (FDP)
ON
HIGH PERFORMANCE COMPUTING (HPC) OF
COMPUTATIONAL FLUID DYNAMICS PROBLEMS
(24 - 29th December 2018)

Organized by
E & ICT Academy, NIT Warangal

(Sponsored by Ministry of Electronics and Information Technology (MeitY), GOI)

Preamble:

"Electronics & ICT Academy" was set up at NIT Warangal with financial assistance from MeitY, Gol. The jurisdiction of this academy is Telangana, Andhra Pradesh, Karnataka, Goa, Puducherry and Andaman & Nicobar Islands. This academy role is to offer faculty development programmes in standardized courses and emerging areas of Electronics, Information Communication Technologies, training & consultancy services for Industry, Curriculum development for Industry, CEP for working professionals, Advice and support for technical incubation and entrepreneurial activities.

This faculty development programme (FDP) is devoted to addressing the need to enhance the knowledge about the latest technologies pertaining to High Performance Computing of Computational Fluid Dynamics Problems.

About the course:

This is a specialized course aimed at introducing a methodology to solve complex linear/nonlinear problems numerically using HPC. This is a unique course on HPC which not only trains participants how to write parallel programming codes on a multi-CPU framework but also provides information about high accuracy schemes which requires significantly lesser computational resources and helps in achieving HPC. This course is a blend of parallel computing along with the numerical methods which requires at least 1000 times less computing resources than any traditional methods. For example, at the end of the course the participants will appreciate the difference between computational cost associated with 10^9 grid points in traditional discretization method calculation vs 10^6 grid points in efficiently designed methods.

Major Course Contents:

Module 1: Parallel computing fundamentals

- Massively parallel computing using MPI and OpenMP
- MPI - Message passing libraries
- Pthread

Module 2: High Performance Computing

- Historical perspective and introduction to HPC
- Different architectures and parallel programming models
- Domain decomposition method
- Communication between processors
- Solution of hyperbolic and elliptic model problems using MPI
- HPC Benchmarking & Performance analysis.

Module 3: High accuracy schemes and algorithms for HPC

- Spatial discretization schemes, compact schemes, spectrally optimized DRP schemes, two versus multitime level time integration schemes, metrics of scientific computing.
- Large Eddy Simulation (LES) of fluid flows using filters, numerical filters and their band limiting abilities, control of spurious q-waves and aliasing error, multidimensional filters.

Faculty conducting this programme:

The programme will be conducted by the faculty members from NIT Warangal; Academicians in the concerned field from IITs/NITs/IIITs are invited to deliver lectures in the programme. Speakers from industries are also expected to deliver as part of the course.

Registration Fee Particulars:

Faculty and Research Scholars	Rs.2500/-
Faculty of SC/ST Category	Rs.1875/- (SC/ ST participants should submit the copy of their caste certificate to claim the concession along with application form)
Industry Participants	Rs.7500/-

SC/ST concession is only for faculty of mentioned states. Research Scholars are not eligible for SC/ST concession.

The entire registration fee is to be collected in the form of DDs/online transfer using the following details:

DD Details	Online Transfer Details
Demand Draft in favor of "Director, NIT Warangal" payable at any bank in Warangal	Account Name: Electronics & ICT Academy NITW Account No: 62423775910 IFSC: SBIN0020149

Eligibility:

The program is open to the Faculty of Engineering Colleges, MCA Colleges and other allied disciplines in India. Industry personnel working in the concerned /allied discipline can also attend.

Accommodation:

All the selected participants will be provided **FREE boarding & lodging** in the institute guest house. No TA will be paid for the participants

How to apply:

A filled in form of application in the prescribed format duly signed and sponsored by appropriate authorities (along with demand draft) should reach the coordinator by speed-post. It is also mandatory to send scanned application form and demand draft through e-mail to hpccfd2018@gmail.com in as selection will be intimated only through mail.

Selection Criteria:

Selection will be done based on first-come-first-serve basis to a maximum number of 50 (fifty). Additionally 10 participants from industry are allowed to participate. The list of selected participants will be intimated through e-mail. In case a candidate is not selected, the DD will be sent back. Candidates will be issued satisfactory certificates on successful completion of the course. Reservations are followed for selecting candidates as per GOI norms.

Important dates:

Last date (Application & DD)	03/12/2018
Selection List by E- mail	05/12/2018
Duration	24/12/2018 to 29/12/2018

About NIT Warangal:

National Institute of Technology, Warangal is the first among 17 RECs setup as joint venture of the Government of India and the state government. Over the years the college has established itself as a premier Institute imparting technical education of a very high standard leading to the B.Tech degrees in various branches of engineering, M.Tech. and Ph.D programs in various specializations. All B. Tech and M. Tech programmes of NIT Warangal are NBA accredited.

Coordinators:

FACULTY DEVELOPMENT PROGRAMME (FDP)
ON
HIGH PERFORMANCE COMPUTING OF
COMPUTATIONAL FLUID DYNAMICS PROBLEMS

(24 - 29th December 2018)

Organized by
E & ICT Academy, NIT Warangal

(Sponsored by Ministry of Electronics and Information Technology (MeitY), GOI)

1. Name :
2. Designation :
3. Institution :
4. Email :
5. DD No: Bank: Date:
- Amount:
6. Address for Correspondence:

SPONSORSHIP CERTIFICATE

Dr. /Mr. /Ms. is an employee of our Institute/Organization and is hereby sponsored to participate in the FDP on "**High Performance Computing of Computational Fluid Dynamics Problems**", sponsored by Electronics & ICT Academy during **24-29th December, 2018** at NIT Warangal.

Signature of Head of Institution
(with seal)

7. Educational Qualification:
8. Subjects taught so far:

Address for correspondence

Post your application form with DD to

Dr. H.P Rani,
Associate Professor,
Dept. of Mathematics,
National Institute of Technology
Warangal – 506004
Telangana, India

9. No. of refresher courses/workshops attended:
10. Experience (in years):
Teaching: Research: Industry:

E-mail the scanned copies of filled-in and duly signed application form along with DD to
hpccfd2018@gmail.com

11. Accommodation required: YES / NO
 12. Do you belong to SC/ST : YES / NO
- (If yes, please specify and attach a copy of caste certificate to claim the concession)
