Centre for Continuing Education of NIT Warangal:
The Centre for Continuing Education of NIT Warangal organizes Continuing Education Programmes and Workshops in the frontier areas of Science, Engineering, Technology, Management, Humanities, Social Science and socially relevant themes on self-financing basis in three different modes: (i) At NIT Warangal by NIT Warangal (ii) At NIT Warangal in collaboration with other Organizations (iii) By NIT Warangal Faculty at the Host Organization/Institute.

About NIT Warangal:
National Institute of Technology Warangal, formerly known as Regional Engineering College was established in 1959. Over the years it has developed into a premier institute of higher learning and is ranked among the top technical education institutions in India. There are 13 Departments offering eight undergraduate and 32 post-graduate programmes besides doctoral programmes. About 5000 students across the country and about 500 international students study in the campus. It is a fully residential campus sprawling over 250 acres with excellent infrastructure, state of the art library, seminar halls, guest houses and laboratories.

Brief Profile of the Department of CS & E:
The Department of Computer Science & Engineering was established in the year 1991. The department offers high quality undergraduate, postgraduate and doctoral programs. The Department has a team of well experienced faculty, graduated from IIT’s, NIT’s, Central Universities and other premier Institutes of higher learning.

Brief Profile of the Department of Mathematics:
The Department of Mathematics was established in 1959 and has always shared the vision of the institute in striving for excellence in teaching and research activities. Over the years, the department has evolved as one that provides excellent teaching and research in Applied Mathematical Sciences.

Highlights of the Course:
- This short term course will be conducted three hours a day with no overlap to the regular office hours.
- The sessions will begin in the evening time, possibly after 5pm.
- Hands-on using Python.

For any query regarding this short term course, please contact the Coordinators.

Dr. M. Sandhya,
Assistant Professor,
Department of CSE

Dr. Y. Sreenivasa Rao,
Assistant Professor,
Department of Mathematics

Center for Continuing Education
NIT Warangal

Online Short Term Course on “Python for Machine learning”
Course Code: PML

12th – 16th July, 2021

Call for Registration and Participation

Organized by
Department of CSE and Department of Mathematics

In association with the
Center for Continuing Education
Overview of the Short term course:
This short term course aims at imparting knowledge and training on the fundamentals of python with different aspects and applications to machine learning.

Objectives:
- The course will positively impact the perceived ability to understand python programming constructs
- Participants will be able to demonstrate knowledge of machine learning techniques to solve real world problems.

Course Content:
- Introduction to Python: Installation, Python Editors
- Variables, Objects, Operators, Primitive Data Types Compound Data types: List, Tuples, Sets, Dictionaries
- Conditional Statements Loops: for, while, do while
- Functions, Building your own functions
- Numpy: Multi-dimensional Arrays
- Matplotlib: 2D and 3D plotting in python
- Regular Expressions
- Scipy: Scientific library for python Pandas: Providing high-performance, easy-to-use data structures.
- SymPy: Symbolic mathematics and computer algebra.
- scikit-image: Collection of algorithms for image processing.
- scikit-learn is a collection of algorithms and tools for machine learning.

Resource Persons:
Eminent faculty from IITs, Central Universities, Industry and Senior Faculty from different departments of NIT Warangal, will deliver lectures and conduct hands on sessions.

Registration is open to:
Faculty members in all disciplines of Engineering, Sciences, Mathematics, Life sciences, Management, Post Doctoral Fellows, Research Scholars, PG students, UG students who have an aptitude to work in Machine learning using Python

Benefits:
- Participants will get an e-certificate upon successful completion of the course.
- Course material, session recordings will be shared with participants with the consent of the speaker.

How to Apply: Eligible candidates may apply by filling the following google form with payment proof on or before 5th July 2021
https://forms.gle/xWTdky2YDVdcb1hX6

Registration fee:
<table>
<thead>
<tr>
<th>Category</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Faculty, Post doctoral fellows, Research Scholars, PG students, UG students</td>
<td>Rs. 500/-</td>
</tr>
<tr>
<td>Industry participants</td>
<td>Rs. 1000/-</td>
</tr>
</tbody>
</table>

The registration fee may be remitted Online through NEFT, Quick transfer, Gpay, PhonePe, Paytm, or any other UPI to the Bank account given below and upload the proof of remittance in the google form.

Important Note: Please enter course code PML in remarks while doing transaction. This is mandatory.
