--

Institute has circulated Google form and collected the information from the students to refund the Caution Deposit of the outgoing batch and to refund the JoSAA/CSAB for the B.Tech Students. A maximum number of students have filled the form and the refund was also processed for the same during the month of June, 2021.

However, it is observed that some of the students could not fill the Google form due to various reasons to claim the refund amount.

In this regard, another Google forms are created which shall be kept open in the Institute website. The application received till 10th September, 2021 shall be processed by the end of September, 2021.

The students shall fill the respective Google forms by clicking the following links.
