NOTICE

ATTENTION: ALL THE STUDENTS (Except B.Tech. – I Year)

It is decided by the competent authority **to conduct the class work and the examinations for all the students (except B.Tech. – I year) in offline mode** in the institute from next semester onwards. However, the decision will be reviewed before the commencement of the next semester and will be notified on the website if there is any change in the decision. All the students are informed to get fully vaccinated and gear up for the offline classwork from the next semester.

Students are also informed to visit the institute website for any updates.
