

# Two Week FDP on Blockchain Technology – The Future of Cyber Security (BCTFCS-2019)

(2<sup>nd</sup> December 2019 – 14<sup>th</sup> December 2019)

(Sponsored by ICPS Division of DST, Govt. of India)

Department of Computer Science and Engineering, National Institute of Technology, Warangal, Telangana State, India.

## About the FDP

The Department of Computer Science and Engineering, National Institute of Technology Warangal is organizing two weeks National level Faculty Development Programme (FDP) on Blockchain Technology- The Future of Cyber Security (BCTFCS-2019) sponsored by the Interdisciplinary Cyber Physical System (ICPS) Division, Department of Science & Technology (DST), Govt. of India. Distinguished Academicians, faculty members, research scholars, under-graduate, and graduate students are invited to attend this programme.

## Objective

The objective of this programme is to unite practitioners, researchers and people from industry to discuss the progress on state-of-the-art research and the practical usage of blockchain technologies, focusing on the application and the technologies relying on it. Specifically, this FDP is to promote discussion on theory, progress, development, deployment and the practical usage of blockchain technologies with respect to cyber security.

## Outcome

This FDP aims to unite interested scholars as well as industrial members from all relevant disciplines. This FDP is intended to provide a theoretically sound foundation in blockchain technology along with the state-of-the-art research challenges in the respective areas.

## Course Overview

This course designed with the state-of-the-art concepts of Blockchain technology that comprises of theory as well as hands-on sessions in the area of Cyber Security and Blockchain System. Half of the course is designed for theory, use-case demonstrations, and research oriented discussions, which will be helpful in understanding the process; and the remaining 50% course for practical implementation(hands-on). In brief this FDP covers Introduction to Blockchain Theory-Distributed Ledger Technologies (DLT), Permissioned and Permissionless Blockchains, Model, framework, Blockchain network and architecture design, Blockchain consensus and fault tolerance mechanisms, Blockchain test-beds, platforms and simulations, Applications using or built on top of blockchains, Cryptographic algorithms and protocols, Security and reliability in Blockchain, Privacy and trust in blockchain, Blockchain applications in areas such as Internet of Things(IoT), IoT & blockchains.

## Topics to be Covered

( but not limited to )

Blockchain Theory-Distributed Ledger Technologies (DLT)
Permissioned and Permissionless Blockchains
Model, framework, and mechanism in designing blockchain
Blockchain network and architecture design
Consensus protocols for blockchains
Peer-to-Peer Networks, Peer-to-Peer communication protocols
Cyber-attacks to blockchain
Insider Threats- Case studies (e.g., of adoption, attacks, forks, scams etc.)
Cryptographic algorithms and protocols
Security and reliability in Blockchain
Privacy and trust in blockchain
Security related issues in blockchain
Internet of things (IoT) and blockchains

## Important Dates

- Application Notification : **Oct 15, 2019**
- Last Date for Application : **Nov 05, 2019**
- Acceptance Notification : **Nov 10, 2019**
- Start of the Programme : **Dec 2, 2019**
- End of the Programme : **Dec 14, 2019**

## Organised By

## Coordinators & Contact Information

- **Dr. E. Suresh Babu**,  
Assistant Professor,  
Dept. of Computer Science & Engineering,  
National Institute of Technology, Warangal.  
(Email: esbabu@nitw.ac.in), Phone: +91 9440959713.
- **Dr. Ilaiyah Kavati**  
Assistant Professor,  
Dept. of Computer Science & Engineering,  
National Institute of Technology, Warangal.  
(Email: ilaiyahkavati@nitw.ac.in), Phone: +91 9848916272.

# Two Week FDP on Blockchain Technology – The Future of Cyber Security (BCTFCS-2019)

(2<sup>nd</sup> December 2019 – 14<sup>th</sup> December 2019)

(Sponsored by ICPS Division of DST, Govt. of India)

Department of Computer Science and Engineering, National Institute of Technology, Warangal, Telangana State, India.

## About the Institute

National Institute of Technology, Warangal (Deemed University), formerly known as Regional Engineering College, was established in 1959. Pandit Jawaharlal Nehru laid the foundation stone for this institute on October 10, 1959, the first in the chain of 30 NITs (formerly known as RECs) in the country. The Institute is well known for its dedicated faculty, staff and the state-of-the-art infrastructure conducive to a healthy academic environment. The Institute is constantly striving to achieve higher levels of technical excellence. Evolving a socially relevant and yet internationally acceptable curriculum, implementing innovative and effective teaching methodologies and focusing on the wholesome development of the students are our concerns. Through the years, it has carved its niche for its teaching, research processes that assure the quality students to the world and hence Govt. of India listed NIT Warangal as An Institute of National Importance and is fully funded by Ministry of HRD, GoI, New Delhi with President of India as its Visitor.

## About the Department

Department of Computer Science & Engineering is the most sought by students in India and abroad for admissions in to all its programmes. Popularity is gained for its innovative teaching of courses in ever updated curriculum so that top software industries prefer our students. Alumni have spread over the world across MNCs enjoying their positions in top brass and running their own industries. Department was established in 1991 and currently offering B.Tech.(CSE), M.Tech.(CSE), M.Tech.(CSIS), MCA and Ph.D by following pedagogical and technological methods to address the ever advancing courses.

## Speakers

- Speakers from IITs, NITs, Research Labs, Startups and Industries

## General Information

- **Maximum Number of participants** is allowed: **30**
- **Registration Fee: No**
- **Free shared accommodation** will be provided on prior intimation
- **Working lunch, snacks & dinner** will be provided
- Participants are advised to bring their **own Laptops for experiments**
- Selection of Participants is based on **First Come First Serve Basis**

## Venue

- **Khurana Seminar Hall**, Seminar Complex, Near NITW Auditorium, National Institute of Technology,

## How to Apply?

- Applicants are requested to download the registration form from [www.cms.nitw.ac.in/bctfcs/](http://www.cms.nitw.ac.in/bctfcs/)
- Send the Scanned copy of filled application to [esbabu@nitw.ac.in](mailto:esbabu@nitw.ac.in) and Hard copy to the following Address:

**Dr. E. Suresh Babu**,  
Assistant Professor,  
Dept. of Computer Science & Engineering,  
National Institute of Technology, Warangal,  
Warangal, Telangana(state), India. Pin-506004  
Phone: +91 9440959713

- Mention on top of the cover "Application for Two Week FDP on Blockchain Technology – The Future of Cyber Security (BCTFCS-2019)"

## Who Can Attend?

Course is open to Faculty Members/Research Scholars/PG Students From Colleges/Universities working in the relevant/allied disciplines.

## Registration Form

1. Name of the participant : .....
2. Organisation/Institute Name : .....
3. Department Name : .....
4. Designation: .....
5. Gender : (Male/Female) : .....
6. Address : .....
7. Caterogy : (GEN/OBC/SC/ST) : .....
8. Area of Interest : .....
9. E-Mail ID : .....
10. Moible: .....

### Declaration of Applicant

I hereby declare that I have read all the terms and conditions mentioned in the FDP Brochure and agree to them. Also, all the information furnished here are true to the best of my knowledge, if found false/ incomplete/ incorrect, my application/ admission is liable to be rejected/cancelled at any time.

Place: .....

Date: .....

(Signature of the Applicant)

### Endorsement by Authority:

I recommend that Prof/Dr./Mr./MS./Mrs.w.....  
.....Designation:.....  
(Institution)....., to attend the Two Week FDP from 2<sup>nd</sup> Dec 19" to 14<sup>th</sup> Dec 2019 and he/she will be relieved during this time to attend the FDP at NITW, if selected. This is also to certify that the details mentioned in this application form by him/her are checked and found to be correct.

Place: .....

Date: .....

Signature  
Head of the Instituion With Seal
