Department of Mechanical Engineering

The practical examinations will be conducted in five laboratories namely Thermal Engineering Laboratory, Manufacturing Engineering Laboratory, Design Laboratory, Heat transfer laboratory and Precision Metrology laboratory in parallel. Each

student has to do two experiments in two different laboratories. Examination timings are 8.30 AM to 12.30 PM for the morning session and 1.30 PM to 5.30 PM for the afternoon session. All the students are requested to report at the MED Conference hall 15 minutes before the scheduled time. They will be picking lots to decide the two laboratories allocated to them. They will be doing the first experiment in the first laboratory picked by them for two hours and will move to the second laboratory after that and complete the second experiment in the remaining two hours.
