National Institute of Technology
Warangal – 506 004, India.**

About the Conference:

The world is progressing towards greater democracy and more market-oriented policies in an effort to improve human development. Higher education is the gateway to economic security and opportunity particularly for women in India. Women are part of socio- economic system who uphold rich cultural and traditional values. Their progress is equated with the progress of the nation. Many Indian women play a major role in Knowledge Societies as leaders, addressing issues on creating and adapting information and ideas at an accelerating speed to support economic growth and improved quality of life in India.

The Indian Government has introduced policies and procedures with the goal of sensitizing the higher education system, recognizing gender equity and increasing the number of women enrolling for higher education. Higher education for women in India has witnessed an impressive growth over the years and the Government is pooling resources needed to promote female education at all levels. In this backdrop steps to empower women are accentuated to enable them operate effectively in the prime domains of higher education and profession. The spin-off effects resulting from the above aspects, lead to increased access and participation of women in all social groups. This will help them in life- long learning and acquire a plethora of benefits. These also constitute the foundations of UNESCO's Global Strategy for Women, in Technical Education and Development mentioned earlier. The Conference aims at their enhanced participation in the decision-making process. The motto of the conference is to project a common vision of social and human development shared by men and women alike as envisaged in the contemporary world.

Objectives:

- To mirror the impact of education on women's equality, with special emphasis on Higher Education, Entrepreneurship, Women Empowerment Research and Consultancy.
- To shed light on issues based on social justice to accord women their rightful place in decision-making.
- To clearly articulate the profound desire of women to forge the social partnership in the contemporary world for better prospects.

About NIT Warangal:

National Institute of Technology Warangal, formerly known as Regional Engineering College was established in 1959. Over the years it has developed into a premier institute of higher learning and is ranked among the top technical education institutions in India. There are 14 Departments offering eight undergraduate and 31 post-graduate programs besides doctoral programmes. About 5065 students across the country and about 600 international students study on the campus. It is a fully residential campus sprawling over 250 acres with excellent infrastructure in the form of state of the art library, seminar halls, guest houses and research laboratories.

Teaching Learning Centre of NIT Warangal:

The Teaching Learning Centre (TLC) is established at NIT Warangal with grants from the MHRD, GOI under the scheme, 'Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching' (PMMMNMTT). Many senior and young faculty members across various departments of the Institute are associated with this center as members of the Core-Team. One of the important objectives of the center is to conduct training programs for Aspiring, Newly Inducted and In-Service faculty in Science and Engineering disciplines. Other activities of the TLC include preparation of e-learning materials, offering courses on-line, curriculum development, carrying out research in pedagogy and integrating ICT into teaching-learning process.

About Warangal:

Warangal is the second largest city of the new state of Telangana. It is situated at a distance of 140 km from the state capital Hyderabad (Nearest Airport). It is well connected by Rail (Kazipet Junction is two km away and Warangal Station is 12 km away) and by Road (NH 202). Warangal is renowned for its rich historical and cultural heritage. It was the seat of erstwhile Kakatiya dynasty. It is a seat of tourist attractions with a number of historical monuments like Thousand Pillars Temple, Warangal Fort, Bhadrakali Temple, Ramappa Temple and Laknavaram Lake located in a radius of 30 kms.
