

**CENTER FOR CONTINUING EDUCATION
NATIONAL INSTITUTE OF TECHNOLOGY
WARANGAL-506004 TELANGANA STATE-INDIA**

APPLICATION FORM FOR SHORT TERM COURSE/FDP/SEMINAR/WORKSHOP

- 1.FDP's can be conducted in NITW/Engineering/MCA colleges anywhere in India
- 2.Faculty development programme can be conducted in online mode
- 3.Participants can be Faculty/Research Scholars/P.G Students
- 4.Resource persons will be from IITs/NITs/Central Universities/Industry
- 5.Minimum number of participants should be 60
- 6.Registration fee for 5/10 days 500/1000 & 1000/2000 for Industry participants
- 7.20 Percent of the total registration fee is collected as Institutional Overheads
- 8.For any further details and filled application can be sent to cce@nitw.ac.in

APPLICATION FORM

1.	Name of the University/Institution	Vignan's Institute of Management and Technology for Women, Ghatkesar, Hyderabad
2.	Department	Electronics and Communication Engineering
3.	Address of the Institute	Kondapur(V), Ghatkesar(M), Medchal Dist-501301
4.	Name & Designation of Coordinator	Vijaykumar R. Urkude, Associate Professor
5.	Mobile	9293793986
6.	E-Mail id	vijay@vmtw.in
7.	Title of the FDP	Signal Processing Techniques and Algorithms
8.	Expected number of Participants	70
9.	Duration of FDP	One Week
10.	Tentative Dates of FDP	30 th August to 3 rd September, 2021
11.	Target Participants	70+
12.	Level of Activity(State/National)	National
13.	Objective of the Programme	1. To impart knowledge on new techniques, approaches algorithms in the area of Signal Processing 2. Unleash the hidden research potential in the signal processing domain to the aspiring researchers
14.	Programme Impact	It will be helpful in improving professional skills and self confidence of teachers.
15.	Expected Outcomes	At the end of FDP, participants will be able to Select the appropriate tool for related signal processing application Explore Neural Networks and Deep Learning Applications

Date: 24/07/2021

Place: Hyderabad
