Faculty Development Programme (FDP)
On
Object Oriented Analysis and Design

Organized by

Electronics & ICT Academy
and Department of Computer Science and Engineering
(20th May– 31st May 2016)

Preamble:

“Electronics & ICT Academy” is being set up at NIT Warangal with financial assistance from DeitY, MCIT, GoI. The jurisdiction of this academy is Telangana, Andhra Pradesh, Karnataka, Goa States and Pudicherry, Andaman & Nicobar islands and Lakshadweep UTs. This academy role is to offer faculty development programmes in standardized courses and emerging areas of Electronics, Information Communication Technologies; training & consultancy services for Industry; Curriculum development for Industry; CEP for working professionals; Advice and support for technical incubation and entrepreneurial activities.

Object-Oriented Analysis and Design Using UML helps to effectively use object-oriented technologies and software modeling as applied to a software development process. We present practical, complete, object-oriented analysis and design (OOAD) road map from requirements gathering to system design. One can experience the benefits of using graphical modeling language(UML). Furthermore, you'll develop a deeper understanding of more flexible and re-usable software components. It follows software development process that focuses on the analysis and design aspects as applicable to an OO software project. System architects, software engineers, systems analysts and designers finds the most value in taking this course.

This faculty development programme (FDP) is devoted to fundamental theory and research outcomes addressing the related theoretical and practical aspects on OOAD.

Major Course Contents:

- Basics of Object oriented analysis and Design
- Object oriented system development life cycle.
- Use-case driven object oriented analysis
- Rumbaugh, Booch, Jacobson methods
- Unified modeling Language basics and modeling
- Designing objects and responsibilities
- Object oriented analysis and Design
- Architectural Modeling
- Quality Assurance
- Software Testing
- Rational Rose suite

Faculty conducting this programme:

The programme will be conducted by the faculty members from **NIT Warangal**. Academicians in the concerned field from **IITs/NITs/IIITs** are invited to deliver lectures in the programme. Speakers from **industries** are also expected to deliver as part of the course.

Eligibility: The programme is open to the **teachers of engineering colleges, MCA colleges and other allied disciplines** in Telangana, Andhra Pradesh, Karnataka states and Goa. Industry personnel working in the concerned/allied discipline can also attend.

Registration Fee Particulars:
Faculty members (Rs 3000/- Only) and
Industry participants (Rs 6000/-Only)

The participants need to send a crossed demand draft(DD) drawn in favour of “Director, NIT Warangal” and payable at SBH, NIT Warangal branch.

Accommodation:

All the selected participants will be provided FREE boarding & lodging in the institute guest house. No TA will be paid for the participants.

How to apply:

A filled in form of application in the prescribed format duly signed and sponsored by appropriate authorities (along with demand draft) should reach the coordinator by speed-post. Last date for submission of application: 17.05.2016

Selection-list intimation/display before: 18.05.2016

About the Institute, department and Warangal:

National Institute of Technology (formerly Regional Engineering College), Warangal is the first among 17 RECs setup as joint venture of the Government of India and the state government. Over the years the college has established itself as a premier Institution imparting technical education of a very high standard leading to the B.Tech degrees in various branches of engineering and M.Tech. and Ph.D programs in various specializations.

The Department of Computer Science and Engineering (CSE) offers B.Tech. course in CSE, M.Tech courses in CSE, Information Security (IS) and Master of Computer Applications (MCA). The Department has experienced faculty with good publications and well-established laboratories. The Department has liaison with reputed industries and R&D organizations like Microsoft, IBM, Oracle, Accenture, Infosys, TCS, EMC², C-DAC, Motorola, NIC, Sun Micro Systems, SPSS and tie up with IISc in certain areas. Department conducts various sponsored programmes throughout the year.

Warangal is known for its rich historical and cultural heritage. It is situated at a distance of 140Km. from Hyderabad. Warangal is well connected by rail and road. National Institute of Technology campus is 2 Km. away from Kazipet junction and 12Km. away from Warangal station.
