**National Workshop
On
Research Methodology
&
Scholarly Writing Skills
(RMSWS-2019)**

21st - 25th January, 2019

Dr. A. Benerji Babu
SC/ST Cell Coordinator
Associate Professor
Department of Mathematics

**Organized by
SC-ST Cell,
Dr. B. R. Ambedkar Learning Center,
National Institute of Technology
Warangal.**

About SC/ST Cell, NIT Warangal:

The SC/ST Cell, a statutory body has been constituted in REC/NIT Warangal to safeguard the interests of the SC/ST students and employees of the Institute as per the instructions of MHRD, GOI from time to time. The Cell functions as a Grievances Redressal Cell for the grievances of SC/ST students and employees and renders them necessary help in solving their academic as well as administrative problems. Functions to promote higher education among these communities that are suffering from economic, social and educational deprivations. Continuously monitors and evaluates the reservation policy and other programs intended for SC/STs by the GOI for effective implementation at NIT Warangal. Suggests follow-up measures to the administration of the Institute for achieving the objectives and targets laid down by MHRD, GOI for the empowerment of SC/STs.

About NIT Warangal and Warangal Town:

National Institute of Technology, Warangal (NITW) formerly known as Regional Engineering College, Warangal (RECW) is the first among the 20 RECs setup as joint venture of the Government of India and State Government. Over the years, the college has established itself as a premier institution imparting technical education of high standards, leading to the B. Tech. degrees in various branches of Engineering, M. Tech. and Ph.D. programs in different specializations. With a view to give further impetus to the technical education, the Central Government upgraded the RECs to NITs, and conferred the Institute of National importance status. Warangal is known for its rich historical and cultural heritage. It is situated at a distance of 140 km from Hyderabad. Warangal is well connected by rail and road. The campus is 2 km away from Kazipet railway junction and 12 km away from Warangal railway station. Participants are advised to alight at Kazipet or Warangal depending upon the train of travel.

Introduction:

Scheduled Castes, Scheduled Tribes and other Backward Classes have been given certain constitutional safeguards for their welfare to facilitate speedier social restructuring and building of a humane and harmonious Indian society. Research is a careful investigation or inquiry specifically through search for new facts in any knowledge. Research methodology refers to a systematic study, defining a problem, formulating a Hypothesis, collecting and analyzing data, detections and conclusions.

Theme of the Workshop:

- WHAT IS RESEARCH? Why do we need Research?
- An understanding Basic Research vs Applied Research
- To import a comprehension on the fundamental system of research process
- To build up a comprehension on the ethical dimensions of conducting applied research and awareness on Plagiarism
- To incorporate insightful composition procedures and etymological ability.
- Lecturers on Latex software
- Printed notes on Latex
- Hands on Latex

Hands-on Exercises with Latex:

LaTeX is a high-quality typesetting system. It includes features designed for the production of technical and scientific documentation. LaTeX is the de facto standard for the communication and publication of scientific documents. LaTeX can be used as a standalone document preparation system or as an intermediate format. LaTeX is available as [free software](#).

Accommodation & Boarding:

The out station participants will be provided boarding and lodging in our Institute Guest House on payment basis. No TA/DA will be paid to the selected candidates. Brochure along with registration form can be downloaded from: www.nitw.ac.in.

Important Dates:

Deadline for Submission of Application:
18/01/2019

Acceptance of Participation: **20/01/2019**
