

National Institute of Technology-Warangal-506004

(An Institute of National Importance)

Department of Metallurgical and Materials Engineering

No. MMED/GVSNR/UGC-DAE/2017/

Date: 16.05.2017

ADVERTISEMENT

Applications are invited for a temporary post of Project Associate-I (one post) to work in the UGC-DAE-CSR Research Project entitled "Influence of Thermo-Mechanical Processing on Creep deformation and rupture behaviour of INRAFM steel", sanctioned by UGC-DAE-Consortium for Scientific Research. The project is sanctioned presently for one year and may be extended on year basis subject to a total period of three years. The fellowship will be paid at the rate of Rs.25,000/- per month. In addition, the selected candidate is entitled to get reimbursement of HRA as per the institute rules from UGC-DAE-CSR. The fellowship is for a period of one year and likely to be extended, based on the progress shown by the candidates, for two more years / coterminous with the closure of the project, whichever is earlier.

Qualifications:

- M. E. / M. Tech. in Metallurgy / Materials / Mechanical Engineering with minimum 55% marks.

Note: Candidates who are completing their M. Tech. by June 2017 are also eligible to apply. However, if they are selected, they shall submit their M. Tech. degree certificate at the time of joining.

Note: There is a possibility to register for Ph.D. in NIT Warangal under the guidance of PI.
