In continuation of this Office Order of even number dated 31.08.2020 and in view of the increasing cases of COVID-19 in the tri-cities of Warangal, Hanamkonda and Kazipet, it has been decided that the Faculty and Non-Teaching staff will continue to work from home up to 30.09.2020. However, Faculty members can visit the Institute to attend to the online classes and other academic activities. Faculty/Employees should complete all time bound actions in time. Sections dealing with essential services like Medical, E&MU, MT, etc., will work regularly as per the existing arrangement.

It has been reported that some of the employees'/family members with symptoms like Fever, Cold, Cough, etc., are visiting the Institute/Health Centre. It is advised that they may obtain the medical advise over phone and not to visit the Institute/Health Centre, as it may expose others to the risk.
